

RULES FOR USING COMPUTERS

of the Main Library of the Wrocław University of Economics and Business

1. All registered Library users may use the computers, terminals, and scanners.
2. The computer equipment is intended exclusively for educational and research purposes. Use of the equipment is free of charge.
3. Laptops available at the Information Desk are intended solely for accessing databases subscribed to by the Library. WUEB students, doctoral candidates, and staff members have priority in using them.
4. Access to the Internet and online databases is free of charge. The rules set out in the *Regulations of the WUEB Computer Network* (Appendix to Rector's Ordinance No. 117/2020) apply.
5. To use the terminals, users must log in with their University email address.
6. Guests who do not have a University email address may use designated computers.
7. Library resources may be copied within the limits of permitted use (if allowed by the licence provider), by saving files to a USB drive or sending them by email.
8. Users must not install or remove any software on their own.
9. If a fault or malfunction occurs, please report it to the librarian on duty.
